**20 662** sick children were treated in the outpatient station.

**5 311** severely sick children had to be hospitalized

**94 severely** sick children were suffering from Encephalitis

**853** children had to be operated by surgery

**26** heart operations were done.

### **In the Maternity of Jayavarman VII**

**11 656** pregnant women were examined and treated in the outpatient station of the maternity. There were **1818** Deliveries.

## **Kantha Bopha Hospitals in Phnom Penh**

**40 785** sick children were treated in the outpatient station

**6 295** severely sick children had to be hospitalized

**58** severely sick children were suffering from Encephalitis

**1036** children had to be operated by surgery

Most families are poor, very poor. That's why all treatment is free for all.

**The most severely sick children would not have a chance without this hospitalization. No one of our staff is taking money from the families.**

**No one staff is working outside in a private clinic.**

**Dr. Beat Richner, Founder and Head of Kantha Bopha since 1992**
